Notes:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has allowed the Company to conduct Annual General Meeting through video conferencing (“VC”) or other audio-visual means (“OAVM”). In this regard, MCA issued Circular 02/2022 dated May 5, 2022, Circular No. 14/ 2020 dated April 8, 2020, Circular No.17/ 2020 dated April 13, 2020, Circular No.20/ 2020 dated May 5, 2020 and Circular No.02/ 2021 dated January 13, 2021 (“MCA Circulars”), prescribing the procedure and manner of conducting the Annual General Meeting through VC/ OAVM. Further, the Securities and Exchange Board of India (“SEBI”) also vide its Circular No. SEBI/HO/CFD/CMD2/ CIR/P/2022/62 dated May 13, 2022 (“SEBI Circular”) has provided certain relaxations from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) due to the resurgence in COVID-19 cases. In compliance with the applicable provisions of the Companies Act, 2013 (“the Act”), MCA Circulars and SEBI Circular/ Listing Regulations and keeping in view with Government advisories on COVID-19, the Board of Directors has approved conducting of the 42nd Annual General Meeting (AGM) of the Company through VC/ OAVM.
2. Since there is no special business to be conducted, explanatory statement is not required to be attached.
3. As the AGM shall be conducted through VC/ OAVM, the facility for appointment of Proxy by the Members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Brief profile of Mr. Sandeep Nelamangala, Director of the Company, seeking reappointment, as stipulated under Regulation 36 of the Listing Regulations and Secretarial Standard – 2 on General Meetings issued by The Institute of Company Secretaries of India, from time to time, as provided for under Section 118(10) of the Act, are given in the annexure to the Notice of the Annual General Meeting.
5. In terms of provisions of Section 107 of the Act, the resolutions as set out in the notice are being conducted through e-voting and therefore the said resolutions will not be decided on a show of hands at the AGM.
6. Members attending the AGM through VC/ OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. Institutional/ Corporate Members (i.e. other than individuals, Hindu Undivided Family (**HUF**), Non-Resident Indians (**NRI**), etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or Governing Body Resolution/ Authority Letter etc., authorizing its representative(s) to attend the AGM through VC/ OAVM on its behalf and to vote through remote e-voting and e-voting at AGM. The

said resolution/ Authority Letter shall be sent through its registered email address to cs@siut.in with a copy marked to www.evotingindia.com

8. In case of any queries regarding the Annual Report or any matter to be placed at the AGM, Members are requested to write to us at least ten (10) days before the AGM through email on enquiry@zfndia.com. The same will be replied by the Company suitably at the AGM. Documents referred to in this Notice will be made available for inspection as per applicable statutory requirements.
9. Non-resident Indian Members are requested to inform immediately about the following to the Company or its Share Transfer Agent or the concerned Depository Participant, as the case may be:
 - a. The change in the residential status on return to India for permanent settlement
 - b. The particulars of the NRE Account with a Bank in India, if not furnished earlier.
10. SEBI has mandated the submission of PAN by every participant in the securities market. Members holding shares in the dematerialized form are, therefore, requested to submit their PAN details to their DPs.
11. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
12. Pursuant to the provisions of Section 124 of the Act, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the unpaid dividend account, is required to be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government. Accordingly, unclaimed dividends for the financial years 1995-96 to 2013-14 (Interim and Final) have been transferred to the IEPF. Unclaimed dividend for FY. 2014-15, is due for transfer in September 2022. Members who have not yet claimed the dividend warrants for financial years 2014-15, and thereafter are requested to contact the Company at the earliest.
13. Further, pursuant to the provisions of Section 124 of the Act and IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years shall be transferred to an IEPF suspense account (in the name of the Company) within thirty days of such shares becoming due for transfer to the Fund.
14. The Members/ claimants whose shares and unclaimed dividend have been transferred to the Fund may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 (available on www.iepf.gov.in) along with requisite fee as decided by the Authority from time to time. The Members/ claimant can file only one consolidated claim in a Financial Year as per the IEPF Rules.
15. It is in the Member's interest to claim any unclaimed dividends and for future, opt for Electronic Clearing Service, so that dividends paid by the Company are credited to the investor's account on time.
16. Members are requested to write to the Company for claiming the dividend for the aforesaid years. The details of unclaimed dividends of the aforesaid years are available on the Ministry of Corporate Affairs website at www.mca.gov.in and on the website of the Company viz. <http://www.zfindia.com/unclaimed-dividend.php>.

28. Since the AGM will be held through VC/ OAVM, the Route Map is not annexed to this Notice.

Instructions for Remote Electronic Voting (Remote E – Voting) and E – Voting during AGM and joining AGM through VC/ OAVM:

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated May 5, 2022, April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/ OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/ OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

3. Pursuant to Para 3, Part A, Sub – Para X of the MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/ OAVM and cast their votes through e-voting.

INTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/ OAVM ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on August 31, 2022, 9:00 am IST and ends on September 02, 2022 5:00 pm (IST). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of August 26, 2022, may cast their votes electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to the SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI Circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Dividend

In order to conserve resources of the Company, for the purpose of the Company's ongoing expansion plans, the Board decided not to recommend any dividend for the financial year ended on March 31, 2022.

Impact of Covid-19 Pandemic on the Performance

Overall the Company's performance was marginally impacted by the ongoing Covid-19. In the early part of the year, the 3rd wave caused some disruptions for the Business, but it was able to recover in the later part of the year.

Subsidiaries, Associates and Joint Ventures

The Company did not have any subsidiary or joint-venture/associate as of March 31, 2022 and therefore, there are no Consolidated Financial Statements of the Company as of March 31, 2022.

In the current Financial Year, the Company has incorporated two Wholly-Owned Subsidiaries, details of which are included later in this Report.

Management discussion and Analysis

Indian Economy

The last two years have been difficult for the world economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation have created particularly challenging times for everyone.

The growth in India's GDP (Gross Domestic Product) during FY 2021-22 is estimated at 8.7 percent as compared to a contraction of 6.6 percent in FY 2020-21.

(Source: National Statistical Office (NSO) Ministry of Statistics)

The Commercial Vehicles (CV) industry is on a recovery path, given the sales being 26% higher than previous year. The CV industry's growth in FY 2021-22 was supported by increased activity in road construction, mining and improved infrastructure spending by the Central and State Governments.

Industry Overview

Number of Commercial Vehicles (CV) Sold

The CV Industry began to recover from the second quarter of the Financial Year 2021-22. As you may be aware, the CV industry numbers had nosedived in FY 2020-21 due to Covid impact. The industry clocked an annual sale of 8.08 lakh units in FY 2021-22, as compared to 6.19 lakh units in FY 2020-21, registering annualised growth of 30.7%.

(Source: SIAM)

Financial Performance and state of the Company's affairs

(Numbers)

Type	FY 2021-22	FY 2020-21	Growth
Power Steering	1,59,408	90,777	75.6%
Mechanical Steering	64,126	78,474	-18.3%

It may be noted that the decline in sale of Mechanical Steering Gear is attributable to introduction of new Hydraulic Power Assisted Steering Gears (**HPAS**) by the Company, for Tractors, in place of traditional Mechanical Steering Gears.

Renewable Energy

Solar Energy

Your Company's 5 MW Solar Power Project at Gujarat Solar Park, Charnka Village, District Patan (Kutch), Gujarat, generated 0.8 crore Units of Electricity with sales-revenue of Rs. 8.71 crore in the FY 2021-2022. The entire electricity is purchased by Gujarat Urja Vikas Nigam Limited (GUVNL), a Government of Gujarat Company, in terms of the multi-year Power Purchase Agreement.

The Company's rooftop solar project, situated at its Vadu Budruk plant, generated around 0.09 crore units of electricity in FY 2021-2022, which was captively consumed in the said plant.

Wind Energy

Wind Turbine Machines, owned and operated by the Company, located in districts of Satara, Ahmednagar & Aurangabad, having aggregate capacity of over 8 MW generated a total of 1.99 crore units in FY 2021-2022. Out of this, 0.47 crore units were used as captive consumption, which accounted for approximately 39.9% of the energy-consumption of the Company's factory at Village Vadu Budruk, and remaining 1.52 crore units were sold to Maharashtra State Electricity Board.

Revenue from Operations

During the year, revenue from sales of auto-components, that is Steering Gear Systems and its components, augmented by 59%, as explained above. Consequently, the Revenue from Operations went up by 55%.

Finance Cost

Finance cost was Rs. 0.31 crore for FY 2021-22 against Rs. 0.29 crore in FY 2020-21.

Other Income

During the year under review, Other Income was Rs. 20.98 crore as against Rs.26.36 crore in the Financial Year 2020-21. Other Income (mainly) is aggregate of the realised gains during the financial year, on sale of financial investments and the unrealised gains, based on market values as of March 31, 2022, from the financial investments held as of that date. For details of Other Income, you may refer to Note No. 16 to the Financial Statements.

Financial Investments

As of March 31, 2022, Financial Investments of the Company stood at Rs. 118.60 crore as against Rs. 120.42 crore in FY 2020-21. Both the amounts reflect the fair/ market value of the financial investments held by the Company, at end of the respective financial years. For list of Investments held by the Company at year-end, please refer to Note No. 5[a] of the Financial Statements.

Credit Rating

In the Month of March, 2022, ICRA – the Credit Rating Agency, retained the Credit Rating A+ for Long Term Fund based and Non-Fund based Credit Facilities and A1+ for Short Term Non-Fund Based Credit Facilities. Further, the outlook on ratings of the Long Term Credit facilities was also retained as 'Stable'.

Profitability

Owing to significant improvement in revenue from operations and lower depreciation charge, Profit before Tax spiraled up to Rs. 29.90 crore for FY 2021-22 in comparison to Rs. 6.76 crore for FY 2020-21. Profit after tax and other comprehensive income was Rs. 18.47 crore. Earnings per share was Rs. 20.14.

Key Financial Ratios

In accordance with the relevant provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (**the Listing Regulations**), the key financial ratios are as under:

	FY 2021-22	FY 2020-21
Debt Equity Ratio	0.09	0.09
Inventory Turnover Ratio (in times)	6.30	6.20
Interest Coverage Ratio(%)	97.45	24.10
Debtors Turnover Ratio (in times)	3.71	3.16
Current Ratio (in times)	2.38	1.63
Operating Profit Margin(%)	13.68	2.60
Net Profit Margin(%)	5.80	4.40

i. Interest Coverage Ratio:

Interest Coverage Ratio improved significantly owing to increase in Earnings before Interest and Tax. **(EBIT)**

ii. Current Ratio:

Current Ratio advanced due to higher Trade Receivables and lower current liabilities as of March 31, 2022, than the previous financial year.

iii. Operating Profit Margin:

The augmentation in Operating Profit Margin was attributable to the higher sales volume in addition to lower depreciation compared to the previous Financial Year.

iv. Net Profit Margin:

Net Profit margin spiraled up due to economies of higher sales volume.

Segment wise Profitability

Auto-Components Segment reported Profit before Tax (**PBT**) of Rs. 7.24 crore. Renewable Energy Segment reported PBT of Rs. 7.73 crore and PBT from other (Un-allocable) segment/ Other Income was Rs. 14.93 crore.

Outlook, Opportunities and Threats

The World Bank, recently, cut its FY 2022-23 Gross Domestic Product (GDP) growth forecast for India to 7.5 per cent, from 8 per cent, on the back of inflationary pressures, supply-chain pressures and geopolitical tensions.

International Monetary fund (IMF) too, slashed India's growth forecast for Financial Year 2022-23 to 7.4 per cent citing less favorable external conditions and rapid policy tightening by Central Bank.

Despite many challenges such as soaring crude prices, semiconductor shortages and supply chain disruptions, the automotive industry is showing signs of reaching the pre-pandemic levels of sales volume. A lot of credit goes to the government initiatives and supportive policies such as the Automotive Mission Plan 2026, scrappage policy and production-linked incentive scheme which are influencing the current market growth and is expected to boost the Indian automotive sector in the coming years.

However, the ongoing geopolitical tensions and the Central Banks' counter-measures to contain resulting inflation, have infused high volatility in commodity prices including crude oil prices. Furthermore, a slower recovery in rural sales, interest-rate hikes and further price hikes by original equipment manufacturers could act as possible headwinds for the sector.

There is also a threat of global economy heading towards recession as central banks step up efforts viz. interest-rate hikes in order to curb inflation. These measures might adversely affect Indian Economy including Auto sector.

Strategic Initiatives, Expansion and Capital Expenditure

Investment in Wholly Owned Subsidiaries

As informed, the Company has incorporated, in April 2022, two Wholly-Owned Subsidiaries, as a step towards expansion by way of backward integration for production of some of the key components, required for its end product i.e. Steering Gears.

Names of the Wholly-Owned Subsidiaries (**WOS**) are:

- i. DriveSys Systems Private Limited
- ii. NexSteer Systems Private Limited

Both the WOS had applied for and have been allotted industrial land at Maharashtra Industrial Development Corporation (MIDC) Supa Parner Industrial Park, District Ahmednagar, Maharashtra, for the purpose of setting up respective production units. Both the WOS are in a process to complete necessary formalities for acquisition of the said industrial land.

The Company has so far invested about Rs. 10 crore in above WOS by way of equity plus loans. Further investment, in these WOS, will be made to the tune of Rs. 90 crore, in next 1-2 years, with the help of internal accruals and borrowings.

Internal Control System and its Adequacy

Your Company has aligned its current systems of internal financial control with the requirement of the Companies Act, 2013 (**the Act**). The Internal Control framework is intended to increase transparency and accountability in the Company's process of designing and implementing a system of internal control.

The framework requires a company to identify and analyse risks and manage appropriate responses. The Company has successfully laid down the framework and ensured its effectiveness.

The Company has an effective Internal Control System commensurate with the size, scale and complexity of its operations. The scope of the Internal Audit is decided by the Audit Committee and the Board. There is an Internal Audit department which checks all the vouchers, financial reports, registers etc. To maintain its objectivity and independence, the Board has also appointed an external Chartered Accountant firm, M/s. Kirtane & Pandit LLP, Chartered Accountants, which reports to the Audit Committee of the Board, in the capacity of Internal Auditors.

The Internal Auditor monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with operating systems, accounting procedures and policies for various functions in the organisation of the Company. The Audit Committee, Statutory Auditors and the process owners are periodically apprised of the internal audit findings. Important internal audit observations are also placed before the Board at its Meetings. Based on the report of Internal Auditor, process owners undertake corrective action, wherever required, in their respective areas and thereby strengthen the controls further. Audit observations and actions taken thereof are presented to the Audit Committee.

The Company's Audit Committee regularly reviews the financial management reports and data and interacts with the External and Internal Auditors for ascertaining the adequacy of internal controls.

Based on its evaluation, the Company's Audit Committee has concluded that, as of March 31, 2022, the Company's internal financial controls were adequate and operating effectively.

Cautionary Statement

The above 'Management Discussion and Analysis Report' is a forward looking Statement based on the Company's projections, estimates and perceptions. These statements reflect the Company's current views with respect to the future events and are subject to risks and uncertainties. Actual results may vary materially from those projected here.

Conservation of Energy, Research and Development, Technology Absorption and Innovation, Foreign Exchange Earnings and Outgo:

The details as required under the Companies (Accounts) Rules, 2014, are given in **Annexure-I** to this Report.

Board of Directors and Key Managerial Personnel

At the year ended on March 31, 2022, the Board of Directors comprised Four Non-Independent Directors (including two executive Directors) and Five Independent Directors. Mrs. Eitika Munot (DIN: 01396661), Non-Executive, Non-Independent Director, ceased to be a Director of the Company, following her resignation, with effect from April 1, 2022. The Board places on record its appreciation for Mrs. Eitika Munot for her valuable contribution provided to the Company during her tenure.

Further, pursuant to the requirements under Section 152 of the Act and the Articles of Association of the Company, Mr. Sandeep Nelamangala (DIN: 08264554) offers himself for reappointment at the ensuing 42nd Annual General Meeting of the Company.

The Resolution for the reappointment of Mr. Sandeep Nelamangala along with his brief profile, forms a part of the Notice of the 42nd Annual General Meeting of the Company.

There is no change in the Key Managerial Personnel during the year.

Board Diversity

The Company recognizes and embraces the importance of a diverse board in its success. The Company believes that a truly diverse board will leverage differences in thought, perception, knowledge, skill, regional and industry experience, cultural and geographical background, age, ethnicity, race and gender, which will help the Company to retain its competitive advantage.

Independent Directors

Pursuant to the provisions of Section 149 of the Act and Regulation 25 of the Listing Regulations, the Independent Directors of the Company have submitted declarations that each of them meets the criteria of independence as provided in Section 149(6) of the Act along with Rules framed there under and Regulation 16(1)(b) of Listing Regulations. In terms of Regulation 25(8) of the Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

Further, declaration on compliance with Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014, as amended by Ministry of Corporate Affairs ("MCA") Notification dated October 22, 2019, regarding the requirement relating to enrolment in the Data Bank created by MCA for Independent Directors, has been received from all Independent Directors of the Company. Further, all the Independent Directors have either qualified or are exempted from the self-assessment conducted by the Independent Directors' Databank.

Familiarisation Programmes for Independent Directors

Independent Directors play a pivotal role in upholding Corporate Governance norms and ensuring fairness in decision-making. Being experts in various fields, they also bring independent judgement on matters of strategy, risk management, controls and business performance.

At the time of appointing a new Independent Director, a formal letter of appointment is given to the Director, inter alia, explaining the role, duties and responsibilities of the Director. The Director is also explained in detail the compliances required from him/ her under the Act, SEBI Regulations and other relevant regulations.

Performance Evaluation

The Board of Directors has carried out an annual evaluation of its own performance, Board Committees, and individual Directors pursuant to the provisions of the Act and the Listing Regulations.

Your Board has constituted Nomination and Remuneration Committee (hereinafter referred to as "the Committee"), in order to oversee, inter-alia, matters relating to:

1. Identify persons who are qualified to become directors and persons who can be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal;
2. Formulate the criteria for determining qualifications, positive attributes and independence of a director;
3. Recommend to the Board a policy relating to the remuneration for the directors, key managerial personnel and other employees;
4. Carry out evaluation of every director's performance including that of Independent Directors and
5. Devise a policy to be followed for identification, appointment, remuneration and evaluation of performance of directors including Company's Board diversity etc., as approved by the Board.

The Board evaluated its performance after seeking inputs from all the Directors based on criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee members based on criteria such as the composition of committees, effectiveness of committee meetings, etc. The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

In a separate meeting of Independent Directors, the performance of Non-Independent Directors and the Board as a whole and the Chairman of the Company was evaluated taking into account the views of Executive Directors and Non-Executive Directors.

The above evaluations were then discussed at the Board meeting that followed the meeting of the Independent Directors and the NRC, at which the performance of the Board, its Committees and individual Directors was also discussed. Performance evaluation of Independent Directors was done by the entire Board, excluding the Independent director being evaluated.

Further, the Company has devised a Policy for performance evaluation of Independent Directors, Board as a whole, Committees of the Board and other individual Executive/ Non-Executive Directors. The Policy includes criteria for performance evaluation. The criteria are based upon age, experience, quality of participation in Board/ Committee proceedings, attendance at meetings, contribution by strategic inputs and others. The criteria along with additional requirements prescribed by Section 149 of the Act are used for selection of Independent Directors.

The Company carried out the performance evaluation during the year under report. The Board of Directors expressed satisfaction with the evaluation process.

Section E: PRINCIPLE-WISE PERFORMANCE

Principle 1

Business should conduct and govern themselves with Ethics, Transparency and Accountability

The standards of ethics, transparency and accountability are deeply incorporated in the Company's Governance System. The values of business conduct that leads the Company's unique culture are exemplified in its purpose **"Steering Success with Safety."**

Every stakeholder associated with the Company is expected to observe these standards of conduct in all business endeavours. The Company ensures compliance to these standards by its stakeholders through appropriate clauses in their contracts to which they are obligated.

Code of Conduct for Board of Directors and Senior Management are testament to the Company's efforts in ensuring that honesty and ethical conduct are never compromised, while promoting professionalism in all facets of the Company's operations. The said Code is available on the website of the Company www.zfindia.com. Further, the Company's Vigil Mechanism encourages people to report illegal or unethical conduct, among other things.

The Company respects the laws and regulations of each geography that it operates in and takes every measure to make sure that it adheres to all the required standards of disclosures and reporting. This transparency and accountability are more than just a tick-box compliance as it helps in building long – lasting relationships with the stakeholders who have reposed their faith in the Company.

The Company has devised Vigil Mechanism, which is being governed by Whistle Blower Policy. Objective of the Policy is to establish 'no threat window' whereby an individual, who is aware of any Protected Disclosure in the Company, is able to raise it through the appropriate channel as outlined in the policy, to ensure timely institutional response, remedial action and offer protection to such individual from victimization, harassment or disciplinary proceedings. The Policy and Mechanism is directly monitored by the Chairman of the Audit Committee. The said policy is available on the website of the Company www.zfindia.com.

The Company also has a strict Code of Conduct to Regulate, Monitor and Report Trading by the Designated Persons, to prevent insider trading and ensure integrity. These are standard communications before Board meetings that communicates the time when they shall not trade and clear instructions about what to do when they do trade.

The Company pursues good Corporate Governance by ensuring regulatory compliance, transparency in disclosures, efficient operational practices, strong internal controls, risk management systems, and by engaging and operating with fairness and integrity with all its stakeholders.

- a. Does the policy relating to ethics, bribery and corruption cover only the Company?

The Company has a policy of a zero-tolerance towards bribery. The Company also refrains from engaging in any practices that are abusive, corrupt or anti-competitive and the Company also refrains from engaging in the business with stakeholders who are indulged in aforesaid practices.

- b. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

The total number of complaints received and resolved to the satisfaction of stakeholders, during the year under review, was ten. All the complaints were redressed to the satisfaction of the stakeholders. The detailed report is provided in Annexure - III to the Board's Report.

Principle 2

Business should provide goods and services that are safe and contribute to sustainability throughout their life cycle.

The Company is committed to delivering products that are safe, effective and possess high quality. As one of the recognised organizations, the Company complies with the optimum standards governing its products, thereby contributing to the safety and sustainability.

The Company ensures that the quality, safety, and sustainability is implemented through entire process right from sourcing of raw materials to creating the end products that meet the superlative quality standards. The Company's quality management embeds the guiding principle of continuous improvement in all facets of the Manufacturing process.

The Company incorporates environmental and social considerations in all its business operations and ensures that engagements with stakeholders are conducted while confirming with the norms of good governance, ethics and transparency. The Company has an established structure for carrying out various facets of manufacturing functions as per business process defined by ISO 45001, ISO 14001 and IATF: 16949.

The Company uses the aforementioned globally accepted quality standards as a foundation for each of its business units (i.e. **Pune & Pithampur**), incorporating effective quality management practices into every aspect of its daily works.

The Company is pioneer in bringing Integral Hydraulic Power Steering Gear Systems to India, in early nineties, with the help of world class technology in that field, through a Joint-Venture. This is the main product of the Company and is known for safety and comfort in driving. The Government has mandated compulsory fitment of Power Steering in some vehicles.

The Company works closely with the Company's suppliers to tackle challenges through strategies and initiatives that drive efficiency and cost optimization in these processes.

The Company believes that alignment of business plans and activities with sustainability goals leads to long-term value addition for itself and its stakeholders. All the models of Power Steering have been adapted for requirements of new BS-VI parameters.

The Company is committed to providing goods that are safe and which imbibe sustainability through its life cycle. This is reflected in the Company's initiatives on resource efficiency and safety.

a. List up to three of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

The Company is supplier of two distinct products:

- Steering Gears (Power and Mechanical)
- A) Power steering gears for commercial vehicles and buses
- B) HPAS and mechanical steering gears for Tractors .

Opportunity - Our steering gears provides safety and comfort to the drivers

- Renewable Energy (Wind and Solar)

b. For each such product, provide the following details in respect of resource use (energy, water, raw material, etc.) per unit of product:

i. Reduction during sourcing/ production/ distribution achieved since the previous year throughout the value chain?

The Company actively works on projects to reduce the resource (energy, water, raw material, etc.) consumption. Some examples include:

- Captive Consumption of Renewable energy generated by the Company's Solar projects and Windmills.
- As mentioned earlier the Company adheres to globally accepted standards for sustainability and minimization of Environmental Risk i.e. ISO 14001.
- Waste-water is treated and recycled for gardening of the Factory.
- Product-wise resource consumption is not measured. However, the respective manufacturing facilities of the Company continuously takes measures to reduce raw material consumption.

ii. Reduction during usage by consumers of resources (energy, water) that has been achieved since the previous year?

To,
The Members of
ZF STEERING GEAR (INDIA) LIMITED, PUNE

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **ZF Steering Gear (India) Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole,

and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Report of the Directors, Boards Report including Annexure to Boards Reports, Business Responsibility Report, Corporate Governance and Shareholders information, the Overview of Financial Performance, and Report on Risk Management (collectively referred as "other information") but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian accounting standards) Rules 2015, as amended from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements

or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information/financial statements of the Company to express an opinion on the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified

in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not proposed, declared and paid any Interim or Final Dividend during the year. Therefore, clause (v) is not applicable.

2. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure 'B', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of The Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ZF Steering Gear (India) Limited (the "Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility and Those Charged with Governance for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under The Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of The Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of ZF Steering Gear (India) Limited for the year ended March 31, 2022.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) In respect of the Company’s Property plant and Equipment and Intangible Assets:
 - (a) A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property plant and equipment, and right of use assets
 - B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular program of physical verification of its property, plant and equipment, right of use assets under which the assets are physically verified by the management at reasonable intervals during the year as per the verification plan adopted by the Company, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us and the records produced to us for our verification, the discrepancies noticed during such physical verification were not material and the same have been properly dealt with in the books of account.
- (c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed/ transfer deed/conveyance deed provided to us, we report that the title in respect of self-constructed buildings and title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour lessee) disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at balance sheet date except for:

Description of property	Land at Koregaon Bhima, Taluka Shirur, District Pune, Maharashtra	Land at Koregaon Bhima, Taluka Shirur, District Pune, Maharashtra
Gross carrying value (Rs. In Crores)	0.04	0.01
Asset held in name of	Mr. Dinesh Munot	Mr. Dinesh Munot
Whether held in name of promoter, director or their relative or employee	Yes	Yes
Period during which it was not held in name of the Company	From 1995 Till Date	From 1995 Till Date
Reason for not being held in name of company	These land parcels were agricultural lands at the time of acquisition, due to the restrictions contained in Section 63 of the Bombay Tenancy & Agricultural Lands Act, 1948 whereby a company cannot buy agricultural land in Maharashtra. Hence these lands were acquired in the name of Mr. Dinesh Munot on behalf of the Company.	
Where ownership of the Asset is in dispute, details of such dispute	No	No

- (d) The Company has not revalued its Property, Plant and Equipment (including right of use assets of assets) and intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.

- (ii) a) The inventory has been physically verified by the management at reasonable intervals during the year. Inventory lying with third parties and in-transit have been verified by the management with reference to the confirmations received from them and/or subsequent receipt of goods. The Company is maintaining proper records of inventory. According to the information and explanations given to us and on the basis of the stock verification records, the discrepancies noticed on verification between the physical stock and the book records were not more than 10% in the aggregate for each class of inventory were noticed.
- (b) The Company has sanctioned working capital limit in excess of Rs 5 Crores, in aggregate, from banks and financial institutions on the basis of security of current assets and quarterly stock statements filed by the Company with such banks and financial institutions which are in agreement with books of accounts.

2 Significant accounting policies

2.1 Basis of preparation

(i) Statement of compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 (as amended) notified under Section 133 of the Companies Act, 2013 (the 'Act').

These financial statements were authorised for issue by the Company's Board of Directors on May 21, 2022.

(ii) Basis of measurement

The financial statements have been prepared on a historical cost basis except for following items:

- Certain financial assets and liabilities which are measured at fair value; and
- Defined benefit plans - plan assets measured at fair value

(iii) Use of estimates

In preparing these financial statements, the management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and accompanying disclosure of contingent liability. Actual results may differ from these estimates.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2022 is included in the following notes:

Note 8 - Recognition of deferred tax assets: Availability of future taxable profit against which tax losses carried forward can be used;

Note 29 - Measurement of defined benefit obligations: Key actuarial assumptions;

Note 13 - Provision for warranty."

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which estimates are revised and in future years'.

2.2 Current versus non-current classification

The Company presents assets and liabilities in its Balance Sheet based on current versus non-current classification

An asset is classified as current when it is:

- a) Expected to be realized or intended to sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) it is expected to be settled in normal operating cycle,
- b) it is held primarily for the purpose of trading,
- c) it is due to be settled within twelve months after the reporting period
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 Segment reporting

Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. Operating segments are reported in a manner consistent with the internal reporting provided to the CODM. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

Corporate assets and liabilities, income and expenses which relate to the Company as a whole and are not allocable to segments, have been included under unallocated items. Refer Note 28 for segment information presented."

2.4 Foreign currencies

(i) Functional and presentation currency

The financial statements are presented and accounted for in Indian Rupees (INR), which is the Company's functional and presentation currency. The Company determines its own functional currency (the currency of the primary economic environment in which the Company operates) and items included in the financial statements of the Company are measured using that functional currency.

(ii) Transactions and balances

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

2.5 Revenue

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Use of significant judgements in revenue recognition

- The Company's contracts with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products/services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

- Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.
- The Company uses judgement to determine an appropriate standalone selling price for a performance obligation. The Company allocates the transaction price to each performance obligation on the basis of the relative standalone selling price of each distinct product or service promised in the contract. Where standalone selling price is not observable, the Company uses the expected cost plus margin approach to allocate the transaction price to each distinct performance obligation.
- The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

2.6 Government Grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expense the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss in proportion to export sale.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

2.7 Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the balance sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.8 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company assesses whether a contract contains a lease, at inception of a contract. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

As a lessee:

At the date of commencement of the lease, the Company recognizes a right-of-use asset("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Company as a lessor:

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight- line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 Revenue to allocate the consideration in the contract.

2.9 A Impairment of non financial assets

Property, plant and equipment (PPE) and Intangible assets (IA) that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non- financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.9 B Impairment of Investment

The carrying value of assets/ cash generating units at each Balance Sheet date are reviewed for impairment. If any such indication exists, the Company estimates their recoverable amount and impairment is recognised, if the carrying amount of these assets/ cash generating units exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. When there is indication that an impairment loss recognised for an asset in earlier accounting period no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit & Loss.

2.10 Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.11 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment, if any.

2.12 Inventories

Inventories are valued at the lower of cost (Value of cost is computed on a weighted average basis) and estimated net realisable value. Finished goods and work-in-progress include costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Goods-in-transit are stated at actual cost incurred upto the date of balance sheet. Scrap is valued at net realisable value.

2.13 Financial instruments

Financial instruments are recognised when the Company becomes a party to the contractual provisions of the instrument. Regular purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

A. Financial Assets

The Company determines the classification of its financial assets at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(I) Classification

The financial assets are classified in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those to be measured at amortised cost.

Financial assets at Fair Value Through Profit or Loss (FVTPL)

Financial assets at fair value through profit or loss include financial assets held for trading, debt securities and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets at fair value through profit or loss are carried in the Balance Sheet at fair value with net changes in fair value presented as fair value gains/ losses on financial assets in statement of profit or loss. Interests, dividends and gain/ loss on foreign exchange on financial assets at fair value through profit or loss are included separately in other income.

(II) Measurement

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

Amortised Cost

The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:

- The asset is held within a business model with the objective of collecting the contractual cash flows, and
- The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

Financial assets at amortised cost include trade and other receivables and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost, less impairment.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective Interest Rate (EIR). The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the Statement of Profit and Loss in other income.

(III) Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of the transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

B. Financial Liabilities

The Company determines the classification of its financial liabilities at initial recognition.

(I) Classification

"The financial liabilities are classified in the following measurement categories:"

- Those to be measured as financial liabilities at fair value through profit or loss,
- Those to be measured at amortised cost

(II) Measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities measured at amortised cost

Financial liabilities are initially recognised at fair value, net of transaction cost incurred and are subsequently measured at amortised cost, using the EIR method. Any difference between the proceeds net of transaction costs and the amount due on settlement or redemption of borrowings is recognised over the term of the borrowing.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest charge over the relevant effective interest rate period. The EIR is the rate that exactly discounts estimated future cash outflow (including all fees and premium paid or received that form an integral part of the EIR, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. This category generally applies to borrowings.

(III) Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(IV) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention

to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.14 Interest and Dividend income

Interest income

For all financial instruments measured at amortised cost and interest bearing financial assets, interest income is recognised using the effective interest rate (EIR), which is the rate that discounts the estimated future cash receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset.

When a loan and receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original EIR of the instrument, and continues unwinding the discount as interest income. Interest income on impaired financial asset is recognised using the original EIR.

Dividend income

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

2.15 Property, plant and equipment (PPE)

Property, plant and equipment excluding land are measured at cost/ deemed cost, less accumulated depreciation and impairment losses, if any. Cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated attributable costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on a written down value method (WDV) method as per Ind AS 6 and its life as per Schedule II to the Companies Act, 2013. Except in respect of :

"a) Plant & machinery depreciated over the useful life of 1 to 15 years, wherein, the life of the said assets has been assessed based on internal technical evaluations, taking in to the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support, etc. Tangible assets residual value is kept at 5% of cost of the assets. "

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount and recorded in statement of profit or loss.

2.16 Investment Property

"Investment property is property (land or a building or part of a building or both) held either to earn rental income or for capital appreciation or for both, but neither for sale in the ordinary course of business nor used in production or supply of goods or services or for administrative purposes. Investment properties are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and the carrying amount of the Investment Property is recognised in Statement of Profit and Loss."

2.17 Intangible assets

(i) Recognition and measurement

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. Intangible assets are stated at cost less accumulated amortization and impairments. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based

on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

(ii) Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the following method and useful life:

Class of asset	Method	Life of the asset
SAP related Software	Straight Line Method	3 years
Other Computer Software	Written Down Method	6 years
Patent	Straight Line Method	15 years

2.18 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in statement of profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income.

2.19 Borrowing costs

"General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred."

2.20 Provisions, Contingent Liabilities and Capital Commitments

"Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the such obligation

The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability

Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

Contingent liabilities and Capital Commitments disclosed are in respect of items which in each case are above the threshold limit."

2.21 Employee Benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

Leave encashment Accumulated leave, which is expected to be utilized within the next twelve months, is

treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Remeasurements, comprising of actuarial gains and losses are recognized in full in the statement of profit and loss. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

(iii) Post-employment obligations

"The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund."

Defined Benefit Plans - Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

Defined contribution plan

Done

(iv) Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits.

2.22 Earnings per share

(i) Basic earnings per share

"Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company;
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year."

(ii) Diluted earnings per share

"Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares."

2.23 Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Crore as per the requirement of Schedule III, unless otherwise stated.

The Company generally offers a warranty for a period of 3 years or 3,00,000 km whichever is earlier for its products. Warranty costs are determined as a percentage of sales based on the past trends of the costs required to be incurred for repairs, replacements, material costs and servicing cost. Management estimates the related provision for future warranty claims based on historical warranty claim information, as well as recent trends that might suggest that past information may differ from future claims. As the time value of money is not considered to be material, warranty provisions are not discounted.

25 FINANCIAL RISK MANAGEMENT

The Company's business activities are exposed to a variety of financial risks, viz liquidity risk, market risk and credit risk. The Management of the Company has the overall responsibility for establishing and governing the Company's risk policy framework. The risk management policies are formulated after the identification and analysis of the risks and suitable risk limits and controls are set which are monitored & reviewed periodically. The changes in the market conditions and allied areas are accordingly reflected in the changes of the policy. The key risks and mitigating actions are placed before the Audit Committee of the Company who then evaluates and takes the necessary corrective action. The sources of risk, which the Company is exposed to and how the Company manages these risks with their impact on the Financial Statements is given below:

Risk	Exposure from	Measurement	Management
Credit risk	Trade receivables, Cash and cash equivalents	Aging analysis, Credit ratings	Credit limits
Liquidity risk	Borrowings, Trade payables and other liabilities	Cash flow budgeted Vs actuals	Availability of committed credit lines and borrowing facilities
Market risk - Foreign Currency	"Foreign currency receivables and payables; Forecasted foreign currency transactions"	Cash flow forecasting and Sensitivity analysis	Insignificant foreign currency exposure
Market risk - Interest rate	Long-term borrowings at variable interest rates	Sensitivity analysis	The Company has an insignificant finance cost. Moreover the Company keeps looking for low interest rate opinion from time to time.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

(Rs. in Crore)

[A] Credit risk

Credit risk is the risk of financial loss to the Company if the counterparty fails to meet its contractual obligations. The Company is exposed to credit risk from its operating activities (primarily trade receivables). However, the credit risk on account of financing activities, i.e., balances with banks is very low, since the Company holds all the balances with approved bankers only.

Trade receivables

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the customers outstanding balances to which the Company grants credit terms in the normal course of business. Concentration of credit risk with respect to trade receivables are limited, as the Company's customer are reputed and having good credit credentials as well as that they are long standing customers. All trade receivables are reviewed and assessed for default on a fortnightly basis.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

	31-Mar-22	31-Mar-21
Not past due	77.65	73.18
Past due but not impaired		
- Past due 0 to 180 days	12.27	4.97
- Past due more than 180 days	0.34	0.29
	90.26	78.44

[B] Liquidity risk

Liquidity risk is the risk the Company faces in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, Management considers both normal and stressed conditions.

Maturities of financial liabilities

The below table analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities. The amounts disclosed in the table are contractual undiscounted cash flows, balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

	Carrying amount	Upto 1 year	Between 2 and 5 years	More than 5 years	Total

[C] Market risk

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Currency risk; and
- Interest rate risk

The above risks may affect the Company's income and expenses, or the value of its financial instruments.

(i) Foreign currency risk

The Company is subject to the risk that changes in foreign currency values impact the Company's exports revenue and imports of raw material. The risk exposure is with respect to various currencies viz. USD, EURO and YEN. The risk is measured through monitoring the net exposure to various foreign currencies and the same is minimized to the extent possible.

(a) Foreign currency risk exposure

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows:

	USD	EUR	YEN	Total
31-Mar-22				
Financial assets				
Trade receivables	3.24	-	-	3.24
Net exposure to foreign currency risk (assets)	3.24	-	-	3.24

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

(Rs. in Crore)

(b) Foreign currency sensitivity analysis

The sensitivity of profit and loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. The following tables demonstrate the sensitivity to a reasonably possible change in USD, EUR and YEN exchange rates, with all other variables held constant:

	Impact on profit after tax	
	31-Mar-22	31-Mar-21
USD		
- Increase by 10%	0.23	0.06
- Decrease by 10%	(0.23)	(0.06)
EUR		
- Increase by 10%	(0.03)	(0.02)
- Decrease by 10%	0.03	0.02
YEN		
- Increase by 10%	-	-
- Decrease by 10%	-	-

ii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial assets or borrowings because of fluctuations in the interest rates, if such assets/ borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing borrowings will fluctuate because of fluctuations in the interest rates.

Interest rate risk exposure

the exposure of the company to change in interest rate at end of the reporting periods are as follows:

	31-Mar-22		31-Mar-21	
	Amount	% of total borrowings	Amount	% of total borrowings
Variable rate borrowings, average borrowing rate 6.75% (P.Y. 6.8%)	1.93	83.55%	3.58	77.49%

* Remaining 16.45% (FY2020-21 -22.51%) of total borrowings of the Company represents interest free liabilities of sales tax deferral.

Sensitivity

Profit and loss is sensitive to higher/Lower interest expenses from borrowing as a result of change in interest rate.

	Impact on profit after tax	
	31-Mar-22	31-Mar-21
Interest rate increase by 100 basis points	(0.02)	(0.01)
Interest rate decrease by 100 basis points	0.02	0.01

(B) FAIR VALUE HIERARCHY

Fair value is the amount for which an asset could be exchanged, or a liability settled between knowledgeable willing parties in an arm's length transaction. The Company has made certain judgements and estimates in determining the fair values of the financial instruments that are

- (a) recognised and measured at fair value and
- (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company as classified the financial instruments into three levels prescribed under the accounting standard. An explanation of each level is as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.

Level 3: If one or more of the significant inputs is not based on the observable market data, the instrument is included in Level 3 hierarchy.

(C) VALUATION TECHNIQUES

Specific valuation techniques used to value financial instruments include

- the use of quoted market prices for mutual funds
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis or such other acceptable valuation methodology, wherever applicable

There are no items in the financial instruments, which required level 3 valuation.

27 CAPITAL MANAGEMENT

The Company policy is to have robust financial base so as to maintain outsider's confidence and to sustain future development of the business. Management monitors the return on capital, as well as level of dividends to equity shareholders. The Company monitors capital using a ratio of "adjusted net debt" to "adjusted equity". For this purpose, adjusted net debt is defined as total liability, comprising interest-bearing loans and borrowing and obligations under financial lease, less cash and cash equivalents. Adjusted equity includes the share capital, reserve and surplus.

The Capital Gearing Ratio for 31 March, 2022 and 31 March, 2021 are as follows:

	31-Mar-22	31-Mar-21
Net Debt	23.57	22.19
Total Equity	395.11	376.64
Net Debt to equity ratio	0.06	0.06

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

(Rs. in Crore)

REASONS FOR CHANGE IN RATIO BEING MORE THAN 25%

Current ratio (in times) increased by 46%

Trade receivables as on 31st March 2022 is Rs. 90 crores as compared to that on 31st March 2021 Rs. 78 Crores resulting in increase of Rs. 12 Crores (15% increase). Also there is significant decrease of Rs. 12 Crores in Other Financial Liabilities which mainly consist of Payables for Capital Goods (80% decrease). Net increase in Current Assets is 18% and Net decrease in Current Liabilities is 19%

Debt service coverage ratio increased by 32%

The debt service coverage ratio has increased by 32% due to increase in EBITDA (Earnings before Interest, Tax, Depreciation & Amortization) by 38%

Return on equity ratio (in %) increased by 99%

Increase in Profit after tax by Rs. 9.43 Crores on account of higher sales and economies of high volumes has resulted in significant jump in Return on Equity

Trade payables turnover ratio (in months) increased by 73%

This is due to reduction in payment terms of suppliers as compared to FY 2021-22 due to introduction of discount based earlier payment to suppliers.

Net profit ratio (in %) increased by 33%

This is mainly due to economies of higher sales volumes

Return on capital employed (in %) increased by 296%

This is mainly due to 342% increase in Profit Before Tax

Return on investment (in %) decreased by 41%

Return on investment (in %) was significantly high in FY 2020-21 due to better returns in equity and debt mutual funds in FY 2020-21

38 NOTE ON COVID-19

Spread of COVID -19 has affected the economic activity across the Globe, including India. This event could affect the business of the Company and the impact of the same will depend on future developments that cannot be predicted reliably at this stage. However, based on the preliminary estimates, the company does not anticipate any major challenge in meeting its Financial obligations, on long term basis and does not carry any risk in the recoverability and carrying values of its assets including Property, plant and Equipment, trade receivable, inventory and investments and does not anticipate any additional liability as at the Balance Sheet date. Further, the Company will closely monitor any material changes to future economic conditions impacting its business.

39 RECENT PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022(Contd...)

(Rs. in Crore)

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.
